

Kim Sax, CPM, CSO, TSO

Mr. Kim Sax is KPS&A Inc.'s Founder and President. With **over 30 years experience** in the North American Trucking & Transportation sector, Kim is uniquely qualified to provide oversight and participate in all KPS&A Inc. projects.

Kim holds numerous **professional designations**, including a Masters Certificate in Project Management, Construction Safety Officer (National) and Transportation Safety Officer. Kim is active in the Canadian Council of Motor Transport Administrators, Commercial Vehicle Safety Alliance, Canadian Society of Safety Engineering, Project Management Institute and Compliance Management Institute.

In addition to his responsibilities as KPS&A Inc.'s President and Chief Executive Officer, Kim serves as one of Alberta's **Transportation Safety Auditors**. Kim evaluates (on behalf of the Provinces) various operational aspects of a given Transportation company's safety practice, and consults with these organizations regarding best practices. In this capacity, Kim has – for over (20) years, consulted with various industry stakeholders in their efforts to comply with their respective local, provincial and federal regulatory requirements.

Kim is **constantly searching for ways to improve the way that businesses manage and maintain personnel, information and equipment**. Kim has been consulting with companies in the transportation, construction and oil field industries since the early 1980s, focusing on safety and information management. He spends his time instructing in the classroom, developing safety programs and implementing these programs. Kim is **known in industry as an entertaining and dynamic instructor**. He is one of the original independent third party auditors recognized by Alberta Transportation.
